

River Villa

This magnificent villa is an absolute gem! It is situated on a spacious piece of land on the Piesang River. The house is designed round an open courtyard. To the left is the master bedroom which leads onto the pool deck with river views. Down the passage on the same side of the house are another two bedrooms. On the other side of the house are another two bedrooms. The open plan and extremely modern kitchen leads onto the dining and living area. Also open plan off the kitchen is a TV lounge. The main lounge leads onto a stunning outdoor entertainment area where you are bound to spend many hours! The pool and grass area off the outdoor entertainment have the meandering river as their backdrop. This house is exquisite in design and the pictures really say it all!
