We love this beautiful north facing family home. Not only is it within easy walking distance to Robberg Beach but overlooks the most stunning indigenous greenbelt. The property has been beautifully designed with perfect finishings for the ultimate beach house feel. The open plan living area is light and airy and opens onto a covered patio and pool and deck area which overlooks the surrounding vegetation. With a pizza oven, barbeque facilities, dining and sitting area this is the place to unwind. This home is perfectly setup for entertainment with a pool table, table tennis and darts forming a games area of the bar room. Five bedrooms are upstairs including the spacious, light and airy master bedroom. Downstairs is a bunkroom made of 4 double beds and has an en-suite bathroom. This home is close to shops, restaurants and the schul. It is beautifully furnished, comfortable and with attention to detail for holiday living it is the ideal property for a beach break.
