

Kalu

Kalu House is the epitome of luxury. The sophistication is set in a background of peace and tranquility – away from the crowds and secluded in nature. And yet it is conveniently close to restaurants and shops. This exclusive villa is in a small secure estate on the edge of the beautiful Keurbooms lagoon. Bordering the estate is the Goose Valley golf course and a pristine nature reserve with its indigenous fynbos and abundant birdlife. Within walking distance are a tidal lagoon and beautiful beaches. Plettenberg Bay is on South Africa's Garden Route and is 210 km from Port Elizabeth and 600 km from Cape Town. There are five wood-burning fireplaces in the house, and they are complemented by underfloor heating throughout. Kalu House is as much a summer getaway as it is a winter one. The owners are collectors of antiques, interesting artifacts, furniture, and art that they have gathered in their travels. Kalu House has ten spacious luxury suites that can accommodate up to 20 people in absolute comfort. And for those days that you do not go down to the lagoon or nearby beaches, there is a solar-heated swimming pool and a relaxing heated spa pool. The villa is self-catering and features a world-class gourmet kitchen with a dining table that can seat 20 people comfortably. The family room and entertainment area are for the relaxation and enjoyment of the entire family. Mesmerizing views of the surrounding mountains, lagoon, and ocean can be enjoyed from the rooftop terrace bar with its African boma (fire pit). There is also a formal lounge for entertaining. The games room has a full-size snooker table and table tennis. There is, of course, Wi-Fi throughout the house.
