

Keurbaai 7

This lovely family beach home is situated right on Keurbooms Beach dune. At night you sleep with the sound of the waves close at hand. Keurbooms beach is a natural beach stretching for kilometers and ideal for long walks. Although you can cool off in the ocean the currents are strong and swimming with caution is advised. It is however one of the most beautiful beaches on the South African coastline and perfect for spotting dolphins throughout the year and whales in the winter months. 7 Keubaaai is part of a group of semi-detached homes with nothing in front of you but Fynbos, the dunes and the beach. There is a walkway from the units down onto the beach. This unit is spacious and designed for comfortable living. There are four bedrooms and two bathrooms. An open plan living area with spacious lounge, dining and kitchen open onto a large deck patio with beautiful sea views and there is a separate TV lounge. This lovely beach home is very well equipped.
