

Villa Christina

Enjoy spectacular views from this gorgeous four-bedroom villa situated in Whale Rock. Beautiful, spacious open-plan living areas are light and bright, with large retractable glass doors that allow the breathtaking views to flow in. Designed for effortless indoor-outdoor living, the lounge opens onto the deck and pool area, creating the perfect setting for relaxation and entertaining. Long summer days can be spent soaking up the sun while admiring panoramic views stretching across the ocean to the Tsitsikamma Mountains and Robberg Peninsula. The modern, well-equipped kitchen features a convenient serving window to the deck and barbecue area, making alfresco dining and entertaining a breeze. The bedrooms are tastefully furnished, each with a contemporary en-suite bathroom. The master bedroom is located upstairs and opens directly onto the main deck, while the three downstairs bedrooms each lead out to a peaceful patio walkway. This villa is exceptionally well equipped, featuring a cosy wood-burning fireplace for cooler evenings, a dedicated double workstation for those working remotely, and a wonderful firepit where friends and family can gather to enjoy sundowners after a day of activities.
