eMoyeni – Three Bedroom Villa

Set within the secure Brackenridge Estate in Plettenberg Bay, eMoyeni is a three-suite retreat occupying the upper level of the villa. There will be no other guests in the lower level which will be locked to allow for privacy. It has been thoughtfully designed for relaxed indoor–outdoor living, where days begin on the pool terrace as the bay shimmers silver, and evenings are spent gathered around the wood-burning fireplace after an easy braai beneath the stars. With solar power and inverter backup, comfort continues without interruption. The lounge and dining areas open generously onto the views, while a chef-ready kitchen and separate scullery ensure entertaining is effortless. The main suite takes in the sweeping panorama of both ocean and mountains, with two additional guest suites completing this level. A quiet study with desk and printer is ideal for those who need to stay connected, and a cosy TV lounge is provided for convenience. Outdoors, the pool terrace becomes the heart of the home, where sun loungers, an outdoor lounge and built-in braai invite long, leisurely afternoons. When it's time to explore, you're minutes from Plettenberg's beaches, restaurants and nature reserves - then back to the calm and security of Brackenridge for the night. This beautiful property has been awarded a 5 star grading from the Tourism Grading Council of South Africa.
