

## Beachy Head 17

This property is just stunning. With a fantastic location on Beachyhead Drive and therefore very easy access to Robberg Beach it has lovely views and has been beautifully appointed. Downstairs are five bedrooms, two of which have three beds in each. The other two are with king beds and one with twin beds. On this level is a super games hangout room with TV lounge, table tennis and a pool table. This area leads onto a garden and swimming pool area. Upstairs the views are great from the expansive open plan living area. There is a large deck off the living area and it all opens to create an el fresco feel. This space is lovely and light. The master bedroom with king bed is on this level. In the garage an array of beach equipment is available for tenant's use. This contemporary beach villa has been perfectly designed for holiday living.
