

Christiana Lodge – Brakkloof Self Catering Unit

Located along the Plettenberg Bay Garden Route, Christiana Lodge offers spacious rooms with elegant furnishings, including custom-made beds and porcelain fittings. Bathrooms have an enamel-coated steel bath and offer stunning views of the wetlands. The Lodge has also been designed in such a way as to blur the distinction between interior and exterior in many areas, and is west facing to make the most of the spectacular sunsets and intense golden afternoon light that bathes Plettenberg Bay. The overall effect is of nature - lots of light, sun, warmth and open air, with interior colours and effects that blend into the environment. Within this, the layout of the rooms ensures absolute privacy for our guests, but with the option of joining in with others in the communal lounge, kitchen area and pool areas. Guest can enjoy alfresco dining on the patio with views of the swimming pool and surrounding wetlands. Christiana Lodge is 8 km away from the Goose Valley Golf Club and a 5-minute walk to Robberg Beach.
