

Julia 11

This luxurious, family-orientated holiday home has magnificent views of the Keurboom's river and the ocean, across to the Tsitsikamma mountain range. It is a short distance from the beach and the town centre.

The house sleeps up to 12 people. The main living area has a lounge and dining room as well as a modern kitchen. This living area opens onto a large outdoor covered terrace with closing glass doors. There is a sitting and dining area on the terrace, ideal for relaxing and enjoying the gorgeous view. Upstairs from the living area and kitchen is a large TV room with spectacular views. Two of the bedrooms are situated on the same level as living area. On the lower level are the other four bedrooms. There is also a staff room on the premises and enclosed garden area. This property is very central and perfectly located.
