

## Keurkloof 6 - Alkantmooi

Beauty in every direction. On the hill-top at Alkantmooi Private Nature Reserve you will find yourself surrounded by some of nature's most exquisite visual displays. The calm turquoise of the Indian Ocean seamlessly merges into the green and gold of lush indigenous forests and pristine fynbos that covers the blue-grey mountains, capped by the magnificent African sky. Guiding your eyes through this collage of never-ending vistas is the Keurbooms River. Alkantmooi Private Nature Reserve is situated in the Keurbooms River Valley close to Plettenberg Bay. Although Alkantmooi is a short 6 km drive from Plettenberg Bay's well-developed holiday infrastructure, the private nature reserve is secluded enough to provide nature lovers with the peace and quiet necessary to appreciate the splendour. Alkantmooi's four-star accommodation consists of seven self-catering luxury apartments with separate entrances. This unit is one of the apartments which faces the beautiful Tsitsikamma forest and sleeps 4. The area boasts an abundance of bird and animal life, including the adjacent Keurbooms River Nature Reserve. Conveniently situated for an easy slip onto the N2 highway, Alkantmooi Private Nature Reserve is the ideal base from which to explore the Garden Route and beyond.
