

Riverclub 4196

The Riverclub is very popular. It is within easy walking distance to Central Beach as well as restaurants and shops. There is a swimming pool and tennis courts in the complex for your enjoyment. The open plan living area with kitchen, dining and lounge area leads onto the outdoor entertainment patio. There are barbeque facilities as well as an outdoor dining table. There is also a outdoor shower, leading to the indoor shower via an opaque door, for your convenience. The master bedroom with queen bed and en-suite bathroom opens to the patio. The second bedroom has 2 single beds which can be converted to a king size bed. A great lock up and go property which is very comfortable and in a great location.
