The Riverclub is immensely popular due to its proximity to Central Beach, restaurants, and shops. There is a swimming pool and tennis courts in the complex for your enjoyment. The open plan living area with kitchen, dining and lounge area leads onto the outdoor entertainment patio. There are barbeque facilities as well as an outdoor dining table. There is also an outdoor shower, perfect for rinsing off the beach sand before entering the home. The master bedroom has a king bed and en-suite bathroom. A second bedroom has a queen size bed, and the third bedroom has a double bed. A great lock up and go property which is wonderfully comfortable and in a great location.
