

## Rivertides 3

Rivertides 3 is situated in the Strandmeer complex. The complex is at the end of Keurboomsrivier road. This property is ideal as it has nothing between it and the lagoon and therefore the views are stunning. One can walk along the lagoon and across the dunes to get to Keurbooms Beach. There is a communal tennis court and swimming pool in the complex. There are three rooms downstairs with the main bedroom having a view over the lagoon. Another room with twin beds is upstairs. The living room which opens onto the deck and grass area downstairs is all open plan. There is a table outside on the deck. The garden area leads to a gate and then steps down to the lagoon. Great for boat enthusiasts as there is a slipway in the complex.
