

## Rivertides 6 Apartment

Rivertides 6 Apartment is situated in the Strandmeer complex. This lovely complex is nestled between sea and lagoon at the end of the Keurboomsrivier road. There is a swimming pool and tennis court in the complex for convenience. The apartment is situated on the property of the main 6 Rivertides home. It has a separate entrance and parking area. There are two rooms in the main section of the apartment both with double beds. In this section is the open plan living area and patio with barbeque and sitting area outside. With its own separate entrance is the third bedroom en-suite with a king bed. The apartment is tastefully designed and very well equipped. For outdoor lovers this property is super. You can walk to the lagoon from the complex and enjoy the bird life and estuary. There is also provision for clients to enjoy the boardwalk next to the main house which takes you to the beautiful and un-touched Keurbooms beach. Just down the path from the apartment is a fire pit and barbeque area in the indigenous forest. A stunning getaway suitable for a romantic escape or for couples sharing. Also, suitable for a small family. Children are welcome however there are indoor and outdoor staircases to take into consideration.
