

## Rothersands 9

This six bedroom home is ideal for families. It is relaxed and modern and within walking distance to Robberg Beach. It has a large garden area for children however there is no pool net or fence. The fact that the house is so close to Robberg Beach is a bonus. There are four bedrooms as well as a children's room with bunk beds and for your convenience a maid's room as well. The villa has a large open plan area with main lounge area, separate TV lounge, kitchen and dining area. The outdoor living area is great with a Jacuzzi, table tennis and outdoor dining area with barbeque facilities. There is a pool table and dart board in the garage. Modern and with loads of space this is a great holiday villa.
