

## Tranquil House – Natures Valley

Natures Valley truly is nature's playground with long beaches, rock pools, hiking trails, ancient forest, a beautiful lagoon and lots more. This stunning modern villa is set back into the forest which surrounds it. It is a very short walk to the beach and there is a back gate which leads through a forest path to the beach. This double volume villa is architecturally gorgeous as it has been designed for natural light and the beauty of the forest to dominate. On the ground level are the spacious and open plan main living areas. This area leads onto two outdoor areas. The one deck is situated in the forest with a sitting area and hammocks for absolute peace. The other outdoor area has the pool deck as well as sitting areas and an outside barbeque and covered dining area. This is all in an enclosed garden. There is one bedroom downstairs. Upstairs is the beautiful master bedroom as well as two other bedrooms. This level has another stunning sitting area on the landing. For sundowners, the roof patio is perfect. This home is tastefully decorated with lovely finishes, well equipped and a haven of tranquility. Natures Valley is about a 20-minute drive from Plettenberg Bay town. There is a small beach shop and restaurant in the valley.
