

Watsonia 1

Watsonia 1 is an exclusive, luxury, self-catering holiday villa offering both privacy and convenience. The villa is situated in the Brackenridge Residential Estate in Plettenberg Bay, which is a 24-hour security controlled nature reserve estate. The estate is also conveniently located within a few minutes' drive of Plettenberg Bay's beaches, shopping areas, and all major attractions. The villa offers unparalleled luxury for guests accustomed to sophisticated contemporary design and décor, and has been tastefully furnished and equipped to the highest standards. The spacious, living area flows onto a large, sunny pool deck. Ideal for entertaining, the deck is completed with external gas braai, rim-flow heated salt pool and Jacuzzi, with sun loungers on which to relax and enjoy the panoramic views and spectacular sunsets. Several nature trails offer great opportunities to appreciate the fresh air, sense of freedom, abundance of fynbos and the wide variety of indigenous bird and small animal life found throughout the estate.
